Outputs

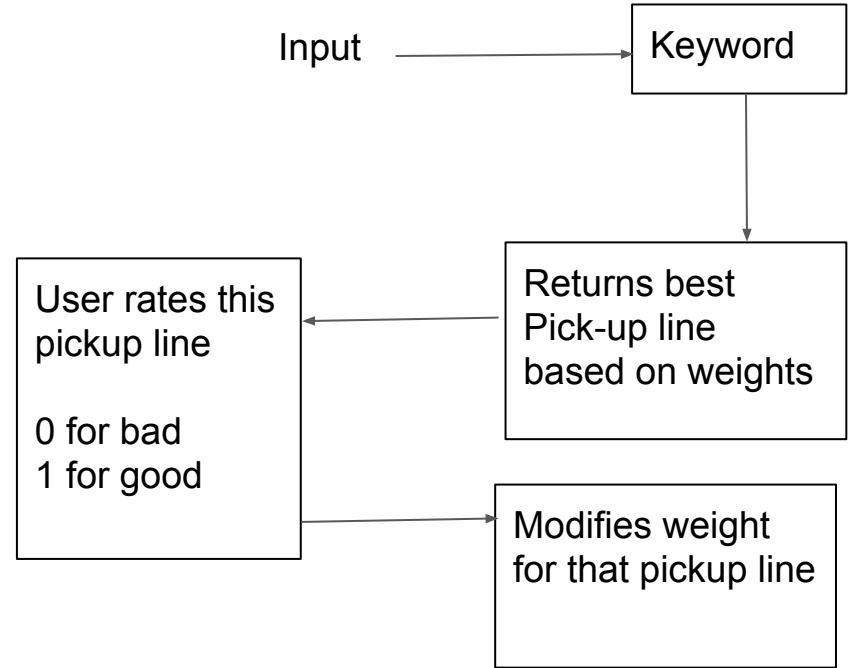

System Architecture

Phase 1: Training

Repeat as needed for data

Phase 2: Testing/ Continuous Training

Keyword Search

Example: You want a pickup line related to software...

Keyword: computer

Result: 'If I freeze, it's not a computer virus, I was just stunned by your beauty.'

Keyword: engineer

Results: 'Let's engineer a future together'

Keyword: kumquat

Results: None found

Categories Search

Example: You want a pickup line related to...

Keyword: Engineering

‘Are you wifi? Cause we sure have a connection!’

‘Are you Solidworks? Because sometimes I look too closely and lose myself in you’

‘Hey girl are you Google Glasses? Cause you sure augment my reality’

Autonomous Pickuplines

Generated from formulas like:

‘Hi, my name is _____, but you can call me tonight’
